

Revenew Systems Moves Headquarters to New Offices in Palatine, IL.

PALATINE, IL – February 1, 2007 – Revenew Systems, a leading channel management and marketing systems provider, today announced that it has relocated its corporate headquarters to 1540 E. Dundee Road in Palatine.

"Revenew Systems' new headquarters will accommodate the company's growth needs in a facility filled with vital and emerging industries," said Nasrin Thierer, president and chief executive officer of Revenew Systems. "We are at an exciting stage of growth as we continue to provide technology and services to help our clients achieve their marketing and sales goals," she added.

About Revenew Systems

Revenew Systems provides channel management solutions that help manufacturers and their channel partners increase sales with an effective demand generation engine and highly targeted marketing programs. Our comprehensive solution includes prospecting and lead generation, customer profiling and segmentation, and creative concepts and designs. Our web-based marketing toolbox lets our customers customize their marketing materials based on campaign needs, easily select the right prospects, deliver the campaign and track the results.
